Dear Gottlieb:

Enclosing check for McCrays salary to  
June 30th.

About the change in the schedule, let  
the dates stay as they are. When I thought of the  
change I was not thinking of the East West game,  
just trying to fill in some of these open dates.  
We are laying around all this week doing nothing.  
Let the dates stand Stars at Newark July 18th. We  
will be able to tell from this weeks game if we are  
going to draw here Friday nights, or if last week  
was just one of those things.

Will you let me know when any of the  
western teams are coming east again. I am sure  
we would draw in Newark for a night with one of  
them.

You have not sent any confirmation  
for Camden July 21st as yet. How much guarantee  
are they giving?

Tell Frank to let me know if Colston will  
work Brooklyn the 4th.

Very Truly Yours
